## MANAGEMENT REPORT

### 1. Principal activities

Goldman Sachs (Jersey) Limited ('the company') acts as an issuer of securitised derivatives in a number of European markets. The company operates in a US Dollar environment as part of The Goldman Sachs Group, Inc.. Accordingly, the company's functional currency is US Dollars and these financial statements have been prepared in that currency.

### 2. Review of business and future developments

During the period, the company changed its accounting reference date to 31 December 2009 to be consistent with the accounting reference date of The Goldman Sachs Group Inc.. Accordingly, the accounting reference period has been extended to 13 months ending 31 December 2009. Consequently, the financial statements have been drawn up for the 30 week period ended 26 June 2009 and comparative information has been presented for the 30 week period ended 27 June 2008.

The profit and loss account for the period is set out on page 2. The profit on ordinary activities before taxation was US \$8,000 (30 week period ended 27 June 2008: profit of US \$687,000). The company has net assets of US \$2,414,000 (28 November 2008: US \$2,408,000).

The company did not issue any warrants in the period (30 week period ended 27 June 2008: 732 warrants issued). As a result, net operating income and administrative expenses decreased significantly during the period.

#### Principal risks and uncertainties

The company is exposed to a variety of risks that are substantial and inherent in its businesses. The key business risks affecting the company are:

- Economic and market risk – as an issuer of securitized derivatives, the company is exposed to unfavourable or uncertain market conditions which may adversely affect the business and the profitability of the company.
- Credit risk – the company holds over-the-counter derivatives entered into with a fellow group subsidiary, to offset the risk arising from the issuance of warrants.

#### Risk management

We seek to monitor and control our risk exposure through a risk and control framework encompassing a variety of separate, but complementary, financial, credit, operational, compliance and legal reporting systems, internal controls, management review process and other mechanisms. In addition, refer to the financial risk management note (note 4 in notes to financial statements), below.

#### Future outlook

The directors consider that the period end financial position of the company was satisfactory. No significant change in the company's principal business activity is expected.

### 3. Responsibility statement

The financial statements have been prepared in accordance with the Accounting Standards Board guidance on 'half-yearly financial reports' and that the interim management report herein includes a fair review of the information required by the FSA's Disclosure and Transparency Rules 4.2.7 R and 4.2.8 R.

## NOTES TO FINANCIAL STATEMENTS – 26 JUNE 2009

### 1. **BASIS OF PREPARATION**

These financial statements for the 30 week period ended 26 June 2009 have been prepared in accordance with the Disclosure and Transparency Rules of the FSA and the Accounting Standards Board guidance on 'half-yearly financial reports'. The financial statements should be read in conjunction with the financial statements for the 52 week period ended 28 November 2008 which have been prepared in accordance with applicable accounting standards.

### 2. **ACCOUNTING POLICIES**

The accounting policies adopted are consistent with those of the financial statements for the 52 week period ended 28 November 2008, as described in those financial statements.

### 3. **NET OPERATING INCOME**

Net operating income has been disclosed instead of turnover as this reflects more meaningfully the nature and results of the company's activities which comprises fees and commissions earned as an issuer of covered warrants.

The change in fair value of the covered warrants issued has been fully offset against the change in fair value of the inventory. It is not practicable and moreover the directors believe it would be misleading to quantify the gross figures and they have therefore not been disclosed.

### 4. **FINANCIAL RISK MANAGEMENT**

Normal trading activities expose the company to market and credit risk. These risks are mitigated by entering into derivative contracts with its parent undertaking, Goldman Sachs International.

### 5. **DEBTORS**

	26 June 2009	28 November 2008
	US\$'000	US\$'000
Cash and cash equivalents	3,085	3,023

Cash and cash equivalents represent cash balances held on account by a fellow group undertaking.

### 6. **CREDITORS AMOUNTS FALLING DUE WITHIN ONE YEAR**
